Value-Added Producer Grant Program 2007 Working Capital Grant Application Checklist

Note: This checklist is for guidance only. Applicants MUST use the Notice of Solicitation of Applications published in the Federal Register on April 16, 2007 to determine the application requirements.

Yes	N/A	Requirement
Genera	al	
		Application <i>postmarked</i> by deadline if sent by mail or courier delivery
		OR application <i>submitted</i> by deadline if using Grants.gov.
		You are requesting \$300,000 or less in grant funds.
		If you currently have a VAPG, the current grant period is scheduled to
		expire by December 31, 2007.
		You have not already received a working capital grant for this project.
		You do not have an outstanding judgment obtained by the United States
		in a Federal Court.
		You are not an excluded party.

SF-424

ST -424	,
	1. Type of submission is Non-Construction.
	2. Date submitted.
	5. Legal name of applicant.
	5. Applicant's DUNS number, unless individual.
	5. Applicant's address, including street, city, county, state, and zipcode.
	5. Name of contact person.
	5. Contact person's e-mail, if available.
	5. Contact person's phone number.
	5. Contact person's fax number, if available.
	6. Employer Identification Number (Social Security Number if an
	individual or steering committee)
	7. Type of applicant.
	8. Type of application is New.
	9. Name of Federal Agency is Rural Business-Cooperative Service.
	10. Catalog of Federal Domestic Assistance Number is 10-352 and the
	Title is Value-Added Producer Grant Program.
	11. Descriptive title of applicant's project.
	12. Areas affected by project.
	13. Proposed project Start Date and End Date.
	14. Congressional districts of Applicant and Project.
	15a. Federal amount (i.e. grant amount requested)
	15b. Applicant amount (i.e. matching funds from applicant).
	15c. State amount (i.e. matching funds from state agency).
	15d. Local amount (i.e. matching funds from local agency).

Yes	N/A	Requirement
		15e. Other amount (i.e. matching funds from third-party other than
		above).
		15f. Program income
		15g. Total amount (add grant funds plus all matching funds).
		17. Answer to question "Is the applicant delinquent on any Federal
		debt?" If yes, explanation is attached.
		18a. Name of authorized representative.
		18b. Title of authorized representative.
		18c. Telephone number of authorized representative.
		18d. Signature of authorized representative.
		18e. Date signed by authorized representative.

	Sec. A: Column a, line 1 lists VAPG.
	Sec. A: Column b, line 1 lists 10.352.
	Sec. A: Column e, line 1 lists the grant amount requested.
	Sec. A: Column f, line 1 lists the matching funds to be contributed.
	Sec. A: Column g, line 1 lists the total project cost.
	Sec. A: Line 5 contains the totals from columns e, f, and g.
	Sec. B: Column 1, line 6 lists VAPG.
	Sec. B: Column 1, line 6a-6j lists the total (grant plus matching)
	amounts for each budget category.
	Sec. B: Column 1, line 6k lists the total project cost (should match Sec.
	A, column g, line1).
	Sec. B: Column 5 contains the total cost for each category (should
	match the numbers in column 1).
	Sec. B: Line 7 lists the program income amount.
	Sec. C: Column a, line lists VAPG.
	Sec. C: Column b, line 8 lists the amount of matching funds
	contributed by the applicant, if applicable.
	Sec. C: Column c, line 8 lists the amount of matching funds
	contributed by a state agency, if applicable.
	Sec. C: Column d, line 8 lists the amount of matching funds
	contributed by other sources, if applicable.
	Sec. C: Column e, line 8 lists the total amount of matching funds to be
	contributed to the project.
	Sec. C: Line 12 contains totals for columns a-e, as applicable.
	Sec. D: Line 13 contains the total grant amount requested in the first
	column, followed by the projected grant amounts needed for each
	quarter of the grant period.
	Sec. D: Line 14 contains the total matching funds to be contributed in
	the first column, followed by the project matching funds amounts to be
	contributed for each quarter of the grant period.

Yes	N/A	Requirement
		Sec. D: Line 15 contains the total project cost in the first column,
		followed by the total grant plus matching funds for each quarter of the
		grant period.

Executive Summary

	J
	Describe the goals of the project.
	Describe the tasks to be completed.

Yes	N/A	Requirement
		Discuss any other relevant information that gives a general overview of
		the project.
		Statement saying funds are requested for working capital purposes
		Statement indicating the amount of grant funds requested

Eligibility Discussion Applicant Eligibility

Аррисс	Applicant Eligibility		
	If you are an Independent Producer:		
	(1) Discussion of how 100 percent of the owners of the applicant		
	organization meet the definition of an Independent Producer;		
	(2) Discussion that demonstrates the owners currently own and		
	produce more than 50 percent of the raw commodity that will be used		
	for the Value-Added product; AND		
	(3) Discussion that demonstrates the product will be owned by the		
	Independent Producers from its raw commodity state through the		
	production of the Value-Added product during the Project.		
	If you are an Agriculture Producer Group:		
	(1) State the mission of your organization;		
	(2) Identify the number of members and board of directors that meet		
	the definition of Independent Producer;		
	(3) Identify (either by name or by class) the Independent Producers on		
	whose behalf the work will be done;		
	(4) Discussion that demonstrates these Independent Producers		
	currently own and produce more than 50 percent of the raw commodity		
	that will be used for the Value-Added product; AND		
	(5) Discussion that demonstrates the product will be owned by the		
	Independent Producers from its raw commodity state through the		
	production of the Value-Added product during the Project.		
	If you are a Farmer or Rancher Cooperative:		
	(1) References the business' good standing as a cooperative in its state		
	of incorporation;		
	(2) Explain how the cooperative is 100 percent owned and controlled		
	by farmers and ranchers;		
	(3) If you are applying on behalf of only a portion of your		
	membership, identify that portion and explain how all members in this		
	portion of your membership meet the definition of an Independent		
	Producer;		
	(4) Discussion that demonstrates these Independent Producers		
	currently own and produce more than 50 percent of the raw commodity		
	that will be used for the Value-Added product; AND		
	(5) Discussion that demonstrates the product will be owned by the		
	Independent Producers from its raw commodity state through the		
	production of the Value-Added product during the Project.		
	production of the value radica product during the Froject.		

Yes	N/A	Requirement
103	11/71	If you are a Majority-Controlled Producer-Based Business Venture:
		(1) State the number of owners who are Independent Producers and
		the number of owners who are not Independent Producers;
		(2) State the percentage of financial interest that belongs to
		Independent Producers and to non-Independent Producers;
		(3) State the percentage of voting interest that belongs to Independent
		Producers and to non-Independent Producers on the governing board;
		(4) Discussion demonstrating that the Independent Producers
		currently own and produce more than 50 percent of the raw commodity
		that will be used for the Value-Added product; AND
		(5) Discussion demonstrating that the product will be owned by the
		Independent Producers from its raw commodity state through the
		production of the Value-Added product during the Project.
Produc	t Eligibi	lity
1.5440	Lugior	If the Value-Added product to be marketed meets category 1 (change in
		physical state):
		(1) State the raw commodity that will be used;
		(2) Explain the change in physical state or form of the product and
		how that change enhances its value; AND
		(3) Identify the Value-Added product that will be marketed.
		If the Value-Added product to be marketed meets category 2
		(differentiated production/marketing):
		(1) State the raw commodity that will be used;
		(2) Explain how the production or marketing method adds value to
		the products value beyond the value that is added based on the
		standard production or marketing practice;
		(3) Provide a quantitative comparison between the differentiated
		product and the standard product using information from the
		feasibility study and business plan developed for the venture;
		AND
		(4) Specifically reference the business plan by indicating who
		developed the plan and when it was completed.
		If the Value-Added product to be marketed meets category 3 (product
		segregation):
		(1) State the raw commodity that will be used;
		(2) Explain the physical segregation of the commodity and how the
		segregation enhances its value;
		(3) Identify the Value-Added product that will be marketed;
		(4) Quantify the added value by using a comparison with products
		marketed without segregation; AND
		(5) Demonstrate that a physical barrier separates the commodity from
		other varieties of the same commodity during production,
		processing, and marketing.

Yes	N/A	Requirement
		If the Value-Added product to be marketed meets category 4
		(renewable energy):
		(1) State the raw commodity/element that will be used;
		(2) State the process used to generate energy;
		(3) Identify the Value-Added product that will be used/marketed;
		(4) Demonstrate that the renewable energy will be generated on a
		farm or ranch owned/leased by the owners of the venture; AND
		(5) Discuss how the owners produce an agricultural commodity on
		the farm or ranch.

Purpose Eligibility

I til post Etigiottily	
	Describe how the proposed project consists of eligible working capital
	activities.
	Describe how the proposed activities are directly related to the
	processing and/or marketing of a Value-Added product.
	Reference a third-party, independent feasibility study that was
	completed for the venture by including the name of the party who
	completed the study and the date it was completed.
	Reference a business plan that was developed for the venture by
	including the name of the party who completed the plan and the date it
	was completed.

Goals of the Project

Statement indicating the goals of the project.
Explanation of how the market will be expanded through the project.
Explanation of the degree to which incremental revenue will accrue to the benefit of the producer(s).

Performance Evaluation Criteria

	Projected increase in number of customers attributed to the project.
	Projected increase in revenue accruing to the Independent Producers
	attributed to the project.
	Projected increase in number of jobs attributed to the project.
	Projected increase in energy capacity attributed to the project, if the
	project involves renewable energy.

Proposal Evaluation Criteria

Business viability
(1) Discuss technological feasibility
(2) Discuss economic efficiency
(3) Discuss sustainability
` '
(4) Discuss efficiency of operations

Yes N/A	Requirement
	Customer base/increased returns
	(1) Describe how the customer base for the Value-Added product will
	expand because of the Venture
	(2) Describe how a greater portion of the revenue derived from the
	venture will be returned to the Independent Producer owners of the
	venture
	(3) Use the information from the pro forma financial statements
	developed for the venture to demonstrate the customer base
	expansion and/or increase in revenue
	Commitments and support
	(1) Discuss the number of Independent Producers currently involved in
	your project
	(2) Discuss the number of Independent Producers who may potentially
	be involved in your project
	(3) Discuss the nature of the contributions from these Independent
	Producers
	(4) Discuss the level of the contributions from these Independent
	Producers
	(5) Discuss the quality of the contributions from these Independent
	Producers
	(6) Identify markets for the product
	(7) Identify letters of intent or contracts from buyers and the amounts
	to be purchased
	(8) Include any support letters that are NOT providing matching funds
	in Appendix A. (Support letters verifying matching funds should
	be separated into Appendix B.) And remember that these letters
	count toward your 35 page limit for the Proposal Narrative.
	Management team/work force
	(1) Discuss the education and capabilities of the project managers
	(2) Discuss the availability and quality of the labor force
	Work plan/budget
	(1) Budget presents a detailed breakdown of all estimated costs
	associated with the working capital activities and allocates those
	costs among the listed tasks;
	(2) Key personnel are identified for each task;
	(3) Timeframes are identified for each task;
	(4) Matching funds and grant funds are represented in the budget;
	(5) Matching funds will be spent a rate equal to or greater than grant
	funds;
	(6) Timeframe of total budget is 365 days or less;
	(7) Project is scheduled to be started on or after October 1, 2007;
	AND (8) Project is schooled to be consulated by Nevember 20, 2009
	(8) Project is scheduled to be completed by November 30, 2008
	Amount requested – state the grant amount requested.

Yes	N/A	Requirement
		Project cost per owner producer – state the number of Independent
		Producers who are owners of the Venture
		Business management capabilities
		(1) Discuss your financial management system
		(2) Discuss your procurement procedures
		(3) Discuss your personnel policies
		(4) Discuss your property management system
		(5) Discuss your travel policies
		Sustainability and economic impact
		(1) Discuss the likelihood of sustainability for your project
		(2) Discuss the expected economic impact of your project on the local
		economy
		Business size – state your gross sales for your most recent fiscal year
		Administrator points – if you choose, discuss how your project will use
		an innovative technology or will be located in an under-served area

Certification of Matching Funds

	Statement that matching funds will be available at the same time as
	grant funds are anticipated being spent
	Statement that matching funds will be spent in advance of grant
	funding, such that for every dollar of grant funds advanced, not less
	than an equal amount of matching funds will have been expended prior
	to submitting the request for reimbursement

Verification of Matching Funds

v ci ilicati	vernication of whatching runds		
	Cash from the applicant is verified by a bank statement with an ending		
	date within one month of the application submission		
	A line of credit from the applicant is verified by a signed letter from the		
	lending institution verifying the amount available, the time period of		
	availability of the funds, and the purposes for which funds may be used		
	Cash from a third party is verified by a signed letter from that third		
	party verifying how much cash will be donated and when it will be		
	donated		
	In-kind funds from a third party are verified by a signed letter from the		
	third party verifying the goods or services to be donated, when the		
	goods and services will be donated, and the value of the goods or		
	services		
	The proposed amount of matching funds equals at least 50 percent of		
	the total project cost		
	All proposed matching funds will be contributed during the proposed		
	time period of the grant		
	All proposed matching funds come from eligible sources		
	Documentation for the valuation of the matching funds contributions is		
	available if the Agency requests it
